Our Top Flight

Top Flight is our flexible loyalty scheme that works around your lifestyle. Perfect for frequent players.

1 Credit = £1, and it's yours to spend as you wish. It could be a quick hit, a full day affair or just an excuse for a catch-up - our flexible scheme gives you access to all things play, without locking you into a schedule or any one game.

12 Hole Golf

‘This is proper golf... that ends after 12 holes.’ - Sir Nick Faldo

Created by the globally renowned architects Mackenzie & Ebert, who’ve left their mark on icons like Royal Portrush and Turnberry, our course emphasises natural landforms, strategic shot values, and preserves the traditional spirit of the game, while being great fun for all levels.

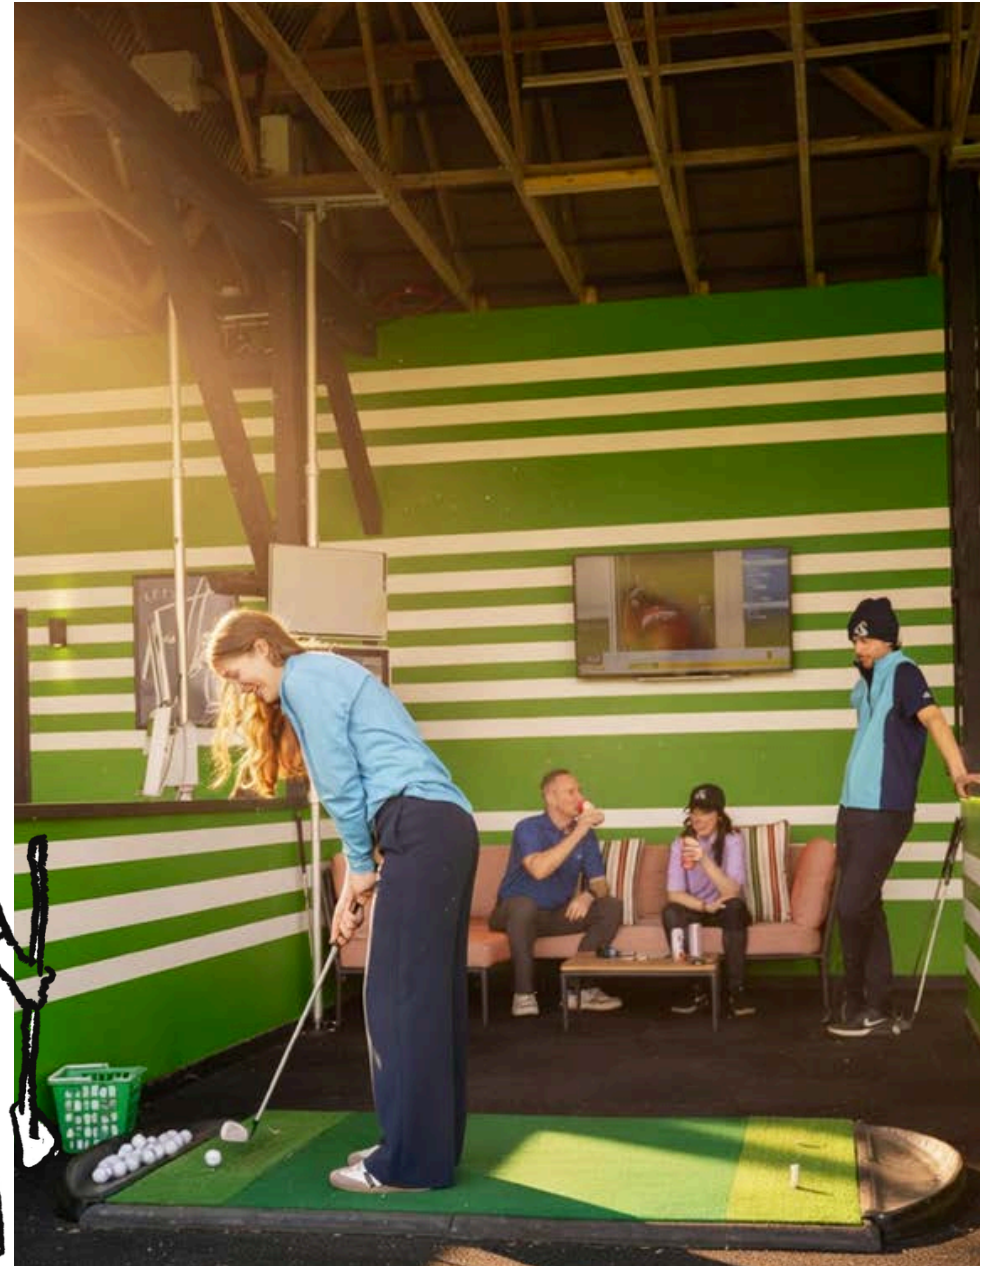

Our 12 hole course hits the sweet spot – challenge any game, in just a few hours. It’s golf, reimagined. Our two loops of 6 are faster and all the more fun.

Swing Barn

Enjoy your own covered all-weather bay with comfy sofa space, fast-paced Toptracer golf games for all ages and unlimited balls.

What really sets the Swing Barn experience apart is our fabulous food and drink. Whet your whistle with creative cocktails, craft beers and quality wines. And graze on delicious pizzas delivered fresh to order from The Hangout.

Putt Patch

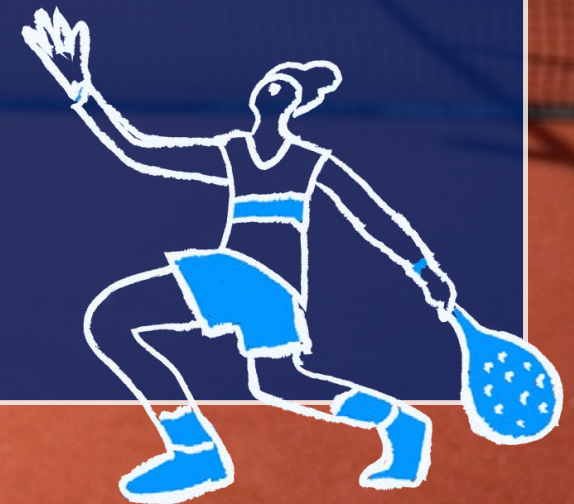

Where we combine creatively challenging putting courses with vibrant outdoor dining, entertainment and fun. Great fun for kids, couples, and competitive friends alike. Quick to play, easy to love, and made for a friendly bit of chaos.

Bring the crew, grab a drink, and get putting. A golfing challenge for anyone from 8 to 80.

Pickleball & Padel Tennis

Looking to get involved in the fastest growing sports worldwide? Our Padel & Pickleball courts are designed to suit the devoted and rookies alike. Dress up or down, borrow our kit or bring your own. Simply select your time, book your court, and play your way. Soak in the atmosphere pre, mid or post-match with social spaces to drink, dine and unwind while the action takes place in front of you.
